INSPIRED TO DANCE

## Hair, Make-Up and Costume Details

- **Hair**: All female dancers need to have their hair **parted in the middle, slicked back into a low ponytail with an elastic that matches their hair color**. (Some dancers may have specific hair accessories that came with their costume and they can put those on over the elastic for those dances.) Class dancers can choose curled or straightened hair for their ponytail, but the important thing is that the hair in front is neatly slicked back with gel and hairspray to ensure it stays slicked back the entire time while dancing.

\*Competition Team Dancers need to have their hair straightened.

- **No Polish/Jewelry/Glitter/Straps**: No glitter, jewelry, toe nail polish or fingernail polish is allowed. Also, no bra straps or underwear, or underwear lines can show. Please make sure dancers try on their costumes ahead of time. Please make sure dancers are secure. If they need to wear a bra, they need to wear one that does not show at all.
- **Costumes**: Please make sure that all of their costume items are in perfect condition, clean and wrinkle free. Please write their name or initials somewhere hidden from the audience on each part of their costume so it will not be lost or mixed up with their teammates. Please see the specific costumes details below for each class to ensure they have what they need.

\*Note: If your dancer needs black dance shorts and/or tan dance paws for their class, they can be purchased through Dance Crew for \$25 each. If you need to order some, please be sure to email us as soon as possible to make sure we have their size in stock.

- **Make-Up**: Dancers need to have their own make-up on: foundation, red shade of lipstick, pink shade of blush, black eye liner and black mascara. Eye shadow needs to be a tan/white/cream shade of shadow for under the brow and lid and then a darker brown or grey/black shade of shadow for crease of the eye.

Thank you!
