

# SUMMER DRESS CODE

## AGES 3-6 Themed Dress-Up Dance Party Classes

For these fun summer classes, dancers can wear anything they have from home that goes with the theme and that they can move in including costumes, accessories and face paint. Dancers can wear any dance shoes they already own or bare feet. For the Glow Dance Party class, they can wear sneakers because they will be doing a hip hop combo. Below are ideas for each theme.

|                                                                                                                       |                                                                                                                                                        |                                                                                                                                                                               |                                                                                                                                |
